

## **Student & Parent Volunteer Check-In and Information Station**

1. As student and parent volunteers arrive give them their name badge, check them off the list and give them a copy of their volunteer duties if they didn't bring their copy with them.
2. The Ensemble Guides, Stage Managers, Judges Runners and Sight Reading Monitors are to receive a schedule.
3. You are responsible for knowing each of the volunteer jobs. You will have a copy of each job ahead of time to review. I will also go over with you at the volunteer training. You are the go to people! 😊

**If you have any questions, please find Mr. Ehrlich, Mrs. Moir, or Mr. Horanski.**
